OK, I was talking about this the other day. When will **@spotifypodcasts** acquire **@MarketingOClock**? One of my favorite industry podcasts. Covers Paid, Organic, & Social. Has a great team, it's super-entertaining + informative.

Got off a call with a new marketing student I'm mentoring and she asked for marketing podcast recommendations. No brainer reccos: **@MarketingOClock** and The LinkedIn Ads Show with **@wilcoxaj**.

Reviews (from industry champs)

I also strongly recommend every digital marketer - no matter your field of marketing or level of experience - to check out Marketing O' Clock. It has been a weekly source of news, insights and entertainment in a relaxed, well-structured and informative format. You can find their podcast on [their site](#), YT and on all popular podcast platforms.

It was awesome to be a part of Marketing O'Clock this year and meet (although virtually) smart, talented people who work in the same field and handle the same challenges I do every day. I remember listening to the podcast and thinking "They sound fun! Maybe I can meet them one day" and I did! Huge shoutout to Greg Finn @gregfinn for bringing me on! Tune in to their podcast or check it out on YouTube.

The industry moves too quickly to not be always staying up to date. Which is why I love **@MarketingOClock**.

What Can I say? These Guys Feel Like My Friends! This is another podcast you should listen to weekly and make sure to listen until the end when they "shoot the heck". My favorite part is straight out of our accounts into your ears. It's funny and relevant!

Weekly smile and best conversation I absolutely love The humor and conversations in this podcast. I seriously get so excited every week when new episodes come out. Keep these coming! Having all of the weeks SERP news in one spot and fantastic personalities that actually make me LOL, it's the perfect combination to stay on the up and up. Thank you

Awesome & relevant podcast! I love this Podcast and look forward to it each week. It is very informative and a must listen for any modern marketer. And the tone and different takes on things are relatable. It is like listening to friends talk about marketing trends. I learn something new (many things, actually) each week. Thanks for doing this, Cypress North team!
